

**Menu Form**  
Spring 2017

**Restaurant Name:** \_\_\_\_\_

**Menus must be of true value (e.g. options normally offered for \$35 or more) to drive the success of this event.** Restaurants must also provide a minimum of three options per course; we highly recommend offering at least one vegetarian option.

**Indicate next to the specific menu option if it is gluten free, vegetarian or vegan with the following symbols: GF = gluten free V = vegetarian Veg = vegan**

\*Note: In an effort to minimize the number of menu revisions, the form below represents how the menu will appear on seattlerestaurantweek.com. Each restaurant has the opportunity to make **one revision** to the site once it has been uploaded. The most up-to-date menu should be found on your restaurant website.
